

MISSISSIPPI STATE DEPARTMENT OF HEALTH

The Mississippi State Department of Health, Public Health Laboratory, is seeking to fill a Public Health Laboratory Supervisor vacancy. This is for a professional who will serve as the technical and administrative director of the medical cannabis section. Duties will include the following:

- Define, execute, and lead the section's laboratory operations, including validating assays, process evaluation, production flow, equipment maintenance requirements, and personnel scheduling and assignments;
- Develop and maintain Standard Operating Procedures (SOPs) for all tests and matrices to meet regulatory requirements for ISO 17025 compliance;
- Operate and maintain analytical instrumentation, including HPLC systems, LC-MS/MS, GC/MS, and ICP-MS equipment;
- Update SOPs with necessary changes and revisions;
- Conduct analytical laboratory investigations, experiments, and/or research activities as apart of the MSDH medical cannabis quality assurance program
- Apply statistical techniques to validate methods, analyze testing data, and prepare data reports;
- Direct the work of public health laboratory scientists performing medical cannabis testing;
- Assist with the MSDH medical cannabis laboratory quality assurance program through regulation development and enforcement.

The Public Health Laboratory Supervisor serves under the direction of the Public Health Laboratory Director.

Salary Range: \$ 66,944.97 - \$91,379.20 Based on education and experience

Location(s): Hinds County

Qualifications: Bachelor's degree in a natural science (chemical, environmental or biological) with at least 7 years of experience

How to apply: Interested applicants should submit: 1) Cover letter indicating the title and location(s) for the area in which he/she is applying; 2) *State of Mississippi Employment Application* (<http://www.mspb.ms.gov/media/6595/application%20word%20template.pdf>) and resume to:
